AMENDMENT

Responsive to the Office Action mailed on May 5, 2004

Please amend the application as follows:

30

Amendments in the Claims: (struck-through parts deleted and underlined parts added)

1. A teargas deploying device for removably mounting to a female receiver on a vehicle, said device being adapted for releasing teargas from a teargas canister and into a dwelling through a wall of the dwelling, said device comprising:

35

an elongated tubular member having a first end and a second end, said first end being closed and having a pointed shape, said second end being open, a plurality of apertures extending into said tubular member, each of said apertures being positioned generally adjacent to said first end;

a canister receiving housing being fluidly coupled to said second end and

40

extending away therefrom, wherein ~~a teargas canister may selectively be~~
